

Software Skills - Project 3

Creating another Newsletter for your Organization that you are working with

DUE DATE: December 20th at the end of the day!!

Marking Structure for Project 3:

Layout/Content of Newsletter: 50%

Pride in Project: 20%

Appearance: 30%

Total of Project: 100%

Create a newsletter for your organization that you are working for introducing the staff that you work with and include some pictures if available.

Please choose your own format to create the newsletter, possibly research on the Internet (Google, Bing) and choose a format.

When creating your newsletter, create it for the month of December again and include the staff that you work with and include yourself with in your organization! Show some pictures of your building and or offices!!

Please make it a minimum of 1 page but a maximum of 2 pages!

Super!

Looking forward to seeing your newsletter and learning more about your organization that you work with!

Merry Christmas

Thanks
