Software Skills - Project 4

Creating yet another Newsletter about your family!

DUE DATE: January 10th at the end of the day!!

Marking Structure for Project 4:
Layout/Content of Newsletter: 40%
Pride in Project: 30%
Appearance: 30%
Total of Project: 100%

Create a newsletter for your family introducing them, again also include some pictures if available.

Please choose your own format to create the newsletter, possibly research on the Internet (Google, Bing) and choose a format.

When creating your newsletter, create it for the month of January and showcase your family or pets! Show some pictures of your home and or family members /roommates!!

Please make it a minimum of 1 page but a maximum of 2 pages!

Super!

Looking forward to seeing your newsletter and learning more about your family!

Merry Christmas
Thanks
